

# BEVERAGE MENU

*“Bourbon is like the American spirit - you can mix it with anything, but you always get a bold response.”*

Inspired by the Whiskey Rebellion of 1792 - 1794, Rebellion was established in Washington, DC in 2014 by two friends and United States Military Veterans who wanted to combine American history with two components of American culture - food and beverage.

Since 2014, Rebellion has expanded locations, its team and whiskey selections, but what has not changed is its love for bringing people together for new and shared experiences over food and beverage.

As you flip through the pages of this beverage menu, you will find that we are especially partial to “brown juice” made on American soil... Bourbon. Rye. American. Tennessee. We have also been known to dabble in whiskey from our neighbors in Canada and our friends across the pond... Scotland. Ireland. Asia.

We pride ourselves in working alongside well-known distilleries to select one-of-a-kind barrels that you will only find here. After those barrels have been emptied, we transfer the selected barrels to local breweries where we partner with them to design a unique Barrel Aged beer.

Our expansive list of bourbon and whiskey has earned multiple Rebellion locations recognition as one of America’s Best Bourbon Bars by The Bourbon Review. We also offer ‘Rebellion Original’ cocktails which feature in-house originals, riffs on the classics as well as seasonal and regional creations.

Offering over 175 types of bourbon and whiskey as well as a wide selection of cocktails, craft beer and wine, Rebellion’s beverage menu is like that of the American spirit - bold.
